SUMMARY

Analytical and business-driven MCA graduate with hands-on experience bridging technology and business through requirement analysis, documentation, and digital solution planning. During my internship, collaborated with cross-functional teams to define, document, and improve software features in real-time web projects. Proficient in tools like MS Excel, Word, PowerPoint, and Canva for presentations and business documentation. Skilled in research, stakeholder communication, and using AI tools like ChatGPT and Notion AI to boost decision-making and productivity. Eager to contribute to impactful projects that align business goals with technical execution.

CORE SKILLS

- Business Requirement Gathering & Documentation
- Data Handling with MS Excel (Pivot, Charts, Filters)
- Presentation with PowerPoint & Canva
- Tools: Google Docs, Notion
- AI Tools: ChatGPT, Notion AI

TOOLS & PRODUCTIVITY STACK

- **Office Tools:** MS Word, MS Excel, MS PowerPoint, Google Workspace
- **Research & Planning:** Notion, Trello, Draw.io, Google Docs
